Such notice shall be served personally, or by certified mail, return receipt requested, upon Contractor, at least fourteen (14) days in advance of the date when the City intends to enter the area for the purpose stated in this paragraph. Contractor may void the notice, and the City's right to enter and perform the maintenance, by promptly performing the required maintenance within the notice period or, if such maintenance cannot be reasonably completed within such fourteen (14) day period, then Contractor shall contact the Public Works Director to obtain such additional time as is necessary. If additional time is obtained, Contractor shall immediately undertake necessary steps to perform said maintenance and shall diligently pursue the duties to completion within the time period agreed to by the Public Works Director. If Contractor fails to perform the required duties within the time period(s) specified by this paragraph, the City may enter upon the area for which proper notice has been served and perform such work as it considers reasonably necessary and proper to restore and/or maintain the landscaping. The City may act either through its own employees or through an independent contractor. The cost of such work shall be deducted from the amount owed to Contractor.

6.2 Continuing Default. Contractor agrees that in the event Contractor should default in the performance of the duties specified in Paragraph 3 herein for a continuous period of fourteen (14) days from Notice thereof to Contractor by the City and no additional time to cure such default has been given Contractor by the City, the City may elect to terminate this Agreement by serving written notice to Contractor of such termination and upon such termination, all maintenance of the Improvements shall be performed by or under the direction of the City.

6.3 Any Contractor in default of previous agreements with the City of Fairfield within the last three years will not be allowed to enter a bid for this contract without approval of the City Engineer prior to bid opening.

7. Option to Renew. By mutual agreement, the City and the Contractor may enter into an agreement for extension of this agreement for a period of an additional twenty four (24) months upon the same terms and conditions set forth herein with a negotiated adjustment not to exceed the October CPI, of the current contract year, for the San Francisco/Bay Area Urban Wage Earner. No more than two extensions will be granted of this Agreement. New work would be added at a cost increase agreed to by the Contractor and the City prior to beginning the work.

8. Hold Harmless Agreement. Contractor will indemnify, hold harmless, and assume defense of, in any actions of law or in equity, the City, its officers, employees, agents, and elective and appointive boards from all claims, losses, damage, including property damage, personal injury, including death, and liability of every kind, nature and description, directly, or indirectly, arising from the operations of Contractor, any subcontractor, or of any person directly or indirectly employed by, or acting as agent for Contractor, his subcontractor, in connection with the work to be performed under this Agreement but not including the sole or active negligence or willful misconduct of the City. Subject to any applicable statutes of limitations, this indemnification shall extend to claims, losses, damage, injury, and liability for injuries occurring after completion of the aforesaid operations as well as during the work's progress. Acceptance of insurance certificates required under this Agreement does not relieve Contractor from liability under this indemnity and hold harmless clause. This indemnity and hold harmless clause shall apply to all damages and claims for damages of every kind suffered, or alleged to have been suffered, by reason of any of Contractor's, or any subcontractor's operations regardless of whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

9. Contractor's Insurance. Contractor shall not commence work under this Agreement or permit his subcontractor to commence work there under until Contractor shall have obtained or caused to be obtained all insurance required under this paragraph and such insurance shall have been approved by the City Attorney as to form, amount, and carrier. Contractor shall not allow any subcontractor to commence work on his subcontract until all insurance required of the contractor or subcontractor shall have been so obtained and approved. Said insurance shall be maintained in force and effect during the performance of work under this Agreement. All requirements herein provided shall appear either in the body of the insurance policies or as endorsements, and shall specifically bind the insurance carrier.

(a). **Workers' Compensation Insurance:** Contractor shall obtain and maintain (or cause to be obtained and maintained) workers' compensation insurance for all Contractor's employees employed to maintain the Improvements. Proof of a qualified self-insurance program is acceptable. Contractor shall require any contractor or subcontractor similarly to provide workers' compensation insurance for all Contractor's or subcontractor's employees, unless such employees are covered by the protection afforded to Contractor. In case any class of employees engaged in work under this Agreement on the Properties is not protected under any workers' compensation law, Contractor shall provide and shall cause each subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Contractor hereby agrees to indemnify City for any damage resulting to it from failure of either Contractor or any subcontractor to take out or maintain such insurance. Contractor shall provide the Public Works Director with a certificate of insurance indicating workers' compensation coverage prior to engaging in any activity required by this Agreement.

(b). **Liability Insurance:** Contractor shall obtain and keep in full force and effect during the term of this Agreement broad form property damage, personal injury, automobile, employers', and comprehensive form liability insurance in the amount of \$3,000,000 per occurrence provided: (1) that the City, its officers, agents, and employees shall be added as insureds under the policy; (2) that the policy shall stipulate that this insurance will operate as primary insurance as it relates to any insurance carried by the City; and (3) no other insurance effected by the City will be called upon to cover a loss covered thereunder. In the event that any of the aforesaid insurance policies provided for in this Paragraph 8 insures any entity, persons, boards, or commissions other than those mentioned in this paragraph, such policy shall contain a standard form of cross-liability endorsement, insuring on such policy City, its elective and appointive boards, commissions, officers, agents, and employees, Contractor and any subcontractor performing work covered by this Agreement.

10. **Certificates of Insurance.** Contractor shall file with City's Public Works Director upon the execution of this Agreement, certificates of insurance which shall provide that no cancellation, major change in coverage, expiration, or nonrenewal will be made during the term of this Agreement, without thirty (30) days written notice to the Public Works Director prior to the effective date of such cancellation, or change in coverage.

Contractor shall file with the Public Works Director concurrent with the execution of this Agreement, the City's standard endorsement form (attached hereto) providing for each of the above requirements.

11. **Contractor not Agent of City.** Neither Contractor nor any of Contractor's agents, contractors, or subcontractors are or shall be considered to be agents of City in connection with the performance of Contractor's obligations under this Agreement.

12. **No employee of the City of Fairfield shall have any direct financial interest in this Agreement. This Agreement shall be voidable at the option of the City if this provision is violated.**

13. Termination of Contract by the City. In addition to the right of termination set forth in Section 6.2 of this Agreement, the City reserves the right to terminate this Agreement for convenience, for any reason or for no reason, at the City's sole discretion. Any such termination shall be effective fifteen (15) days after notice of termination is sent to the Contractor by registered mail, or such later date as the parties may mutually agree upon. The Contractor is entitled to receive payment for work completed. Reasonable overhead and profit will be recognized for work completed. However, no allowances or compensation will be granted for the loss of any anticipated profit by the Contractor. The Contractor will be required to remove all materials and personal property belonging to the Contractor prior to the effective date of the termination."

Subparagraphs (2) and (4) are amended as follows:

- (2) Up to \$2500 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (4) All reasonable expenses incurred by the "Insured" at our request, including actual loss of earning up to \$500 a day because of time off from work.

SECTION III – PHYSICAL DAMAGE COVERAGE

A. COVERAGE

The following is added:

5. Hired Auto Physical Damage

- a. Any "auto" you lease, hire, rent or borrow from someone other than your employees or partners or members of their household is a covered "auto" for each of your physical damage coverages.
- b. The most we will pay for "loss" in any one "accident" is the smallest of:

(1) \$50,000

(2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or

(3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

If you are liable for the "accident", we will also pay up to \$500 per "accident" for the actual loss of use to the owner of the covered "auto".

- c. Our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by an amount that is equal to the amount of the largest deductible shown for any owned "auto" for that coverage. However, any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.
- d. For this coverage, the insurance provided is primary for any covered "auto" you hire without a driver and excess over any other collectible insurance for any covered "auto" that you hire with a driver.

6. Rental Reimbursement Coverage

We will pay up to \$75 per day for up to 30 days, for rental reimbursement expenses incurred by you for the rental of an "auto" because of "loss" to a covered "auto". Rental Reimbursement will be based on the rental of a comparable vehicle, which in many cases may be substantially less than \$75 per day, and will only be allowed for a period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days. We will also pay up to \$500 for reasonable and necessary expenses incurred by you to remove and replace your materials and equipment from the covered "auto".

If "loss" results from the total theft of a covered "auto" of the private passenger type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided under paragraph 4. Coverage Extension.

7. Lease Gap Coverage

If a long-term leased "auto" is a covered "auto" and the lessor is named as an Additional Insured – Lessor, in the event of a total loss, we will pay your additional legal obligation to the lessor for any difference between the actual cash value of the "auto" at the time of the loss and the "outstanding balance" of the lease.

"Outstanding balance" means the amount you owe on the lease at the time of loss less any amounts representing taxes; overdue payments; penalties, interest or charges resulting from overdue payments; additional mileage charges; excess wear and tear charges; and lease termination fees.

B. EXCLUSIONS

The following is added to Paragraph 3

The exclusion for "loss" caused by or resulting from mechanical or electrical breakdown does not apply to the accidental discharge of an airbag.

Paragraph 4 is replaced with the following:

4. We will not pay for "loss" to any of the following:

- a. Tapes, records, disks or other similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment.
- b. Equipment designed or used for the detection or location of radar.
- c. Any electronic equipment that receives or transmits audio, visual or data signals.

Exclusion 4.c does not apply to:

- (1) Electronic equipment that receives or transmits audio, visual or data signals, whether or not designed solely for the reproduction of sound, if the equipment is permanently installed in the covered "auto" at the time of the "loss" and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto"; or
- (2) Any other electronic equipment that is:
 - (a) Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system; or
 - (b) An integral part of the same unit housing any sound reproducing equipment described in (1) above and permanently installed in the opening of the dash or console of the covered "auto" normally used by the manufacturer for installation of a radio.

D. DEDUCTIBLE

The following is added: No deductible applies to glass damage if the glass is repaired rather than replaced.

SECTION IV. BUSINESS AUTO CONDITIONS

A. LOSS CONDITIONS

Item 2.a. and b. are replaced with:

2. Duties In The Event of Accident, Claim, Suit, or Loss

- a. You must promptly notify us. Your duty to promptly notify us is effective when any of your executive officers, partners, members, or legal representatives is aware of the accident, claim, "suit", or loss.
